I have been employed by the Abingdon Police Department (APD) for approximately seventeen (17) years with the previous twelve (12) years being assigned to investigate drug cases. Prior to working for the APD I worked for approximately one (1) year for the Glade Spring Virginia Police Department and Virginia Highlands Community College Campus Police.

I was trained as a Police Officer at the Southwest Virginia Criminal Justice Training Academy in Bristol, Virginia. During my training at the law enforcement academy I received specialized training in drug laws and drug recognition. Over the past sixteen (16) years I have attended several classes/courses specializing in techniques and procedures to investigate drug cases. This training includes courses that directly relate to possession, manufacturing and distribution of drugs and their subsidiaries and include the drugs, marijuana, cocaine, heroin,

methamphetamine and prescription drugs. For the past nine (9) years I have taught at the law enforcement academy. The course I teach is drug identification and recognition.

The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents and witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that violations of Title 21, United States Code, Sections 846, 841(a)(1) and (b)(1)(C), have been committed, and are being committed, by others known and unknown. .

The information contained in this affidavit is based on my personal observations, observations of other law enforcement officers, observations of Cooperating Sources (CS) as related to me, my review of official police and government reports, my review of records and documents gathered during this investigation, and consultation with other Agents involved in the investigation. This affidavit contains information necessary to support probable cause for the search warrant. The information contained in this affidavit is not intended to include each and every fact and matter observed by or known to the United States.

Numerous search warrants have been executed for the contents of seized cellular telephones as well as text message content on the accounts of active cellular telephones. In addition, call detail records have been received on many target telephones via DEA Administrative Subpoena. A minimal amount of data received as a result of these search warrants and subpoenas has been included in this affidavit to help establish probable cause.

This affidavit is submitted in support of a request that a complaint and arrest warrant(s) be issued for the following person(s) for violations of Title 21, United States Code, Section 846,

INTRODUCTION

In early 2017, an investigation was initiated into the Shawn FARRIS Drug Trafficking Organization, which was responsible for the trafficking of crystal methamphetamine between Southern California and the areas of Southwest Virginia and Northeast Tennessee. The investigation revealed that FARRIS temporarily moved from Cathedral City, CA to Bristol, VA at the suggestion of close friend Lacey WEIR, a Bristol, TN resident who was originally from California. FARRIS' source of supply for methamphetamine was identified as Raul LOPEZ-VALENZUELA, who was recently indicted in the Southern District of California in a separate DEA investigation.

In addition to FARRIS, WEIR also recruited family member Sean MAIDLOW from Pomona, CA who moved to Bristol, TN. MAIDLOW's source of supply for methamphetamine was identified as Jair Medina GUTIERREZ, who was also a target of a separate DEA investigation.

With FARRIS and MAIDLOW both in Bristol with methamphetamine sources of supply in California, the FARRIS DTO recruited many distributors in the area who sold large amounts of methamphetamine in the Western District of Virginia and Eastern District of Tennessee.

WEIR's boyfriend, John Ratcliff, became a major distributor and enforcer for both FARRIS and MAIDLOW. In July 2017, Ratcliff was arrested in Bristol, TN in possession of 1.3 kilograms of crystal methamphetamine and a gun, which was prosecuted in the Eastern District of Tennessee.

One month prior, Amy Mann, a major distributor of methamphetamine for FARRIS, was arrested in possession of approximately 300 grams of methamphetamine and two (2) firearms, which was prosecuted in the Western District of Virginia.

A common link between Ratcliff and Mann was another major distributor for FARRIS and MAIDLOW, Donald Zachary SNYDER aka "*Stryker*". SNYDER was arrested on June 15, 2017 in Bristol, VA in possession of approximately two (2) ounces of methamphetamine. On August 4, 2017, SNYDER was arrested again in Bristol, VA in possession of approximately 1½ ounces of methamphetamine and a gun.

Other direct distributors of methamphetamine for FARRIS and/or MAIDLOW included Andrea Nichole "*Nikki*" STICKEL, James Nicholas "*Nick*" HOWINGTON, Saleemah Lashawn ROBERSON, James Skyler SEBASTIAN, Larry Levi BENNETT, Terry Melvin DALTON, Heather Ashley DAVIS, Brianna Nicole WOODBY, Donald Shane HAWTHORNE, Melissa Darlene BARRETT, and Bradley Scott WILLIAMS. Other direct distributors included Crystal Pharis and Brandon Thorpe, both of whom were indicted in the Eastern District of Tennessee in a related conspiracy.

Sub-distributors for the organization, those who sold methamphetamine at the direction of John Ratcliff, Amy Mann, "Nikki" STICKEL, Saleemah ROBERSON and others include James "Jamie" JOHNSON, Stephen GRAHAM, Christopher SMILEY, Joshua CHAPMAN, Gary MCFARLANE, Elizabeth EATON, Matthew Todd MULLINS, Anthony HARLESS, Kimberly DRAKE, Brandon WHITT, Susan PAYNE and Devon COLEMAN.

PROBABLE CAUSE

Shawn Wayne FARRIS

On February 16, 2017, CS-1 was interviewed pursuant to his arrest for Conspiracy to Distribute Methamphetamine in the Eastern District of Tennessee. CS-1 stated that in approximately September 2016, he started obtaining methamphetamine from "J.R." Ratcliff. CS-1 stated that he purchased ounces of methamphetamine from Ratcliff for \$700.00 or \$800.00 per ounce. CS-1 stated that Ratcliff drove a silver Dodge Charger.

CS-1 stated that Ratcliff obtained the methamphetamine from a source of supply who was from California. CS-1 described this source of supply for methamphetamine as a white male in his 40's who drove a silver Ford Mustang. CS-1 stated that this source of supply for methamphetamine lived in a brick house with a long black driveway with two (2) white garage doors located near Virginia High School in Bristol, VA. CS-1 provided directions to the residence.

CS-1 stated that in mid-January 2017, he was at the residence near Virginia High School with Ratcliff and helped count \$250,000.00. CS-1 stated that he observed 49 pounds of crystal methamphetamine in the residence at that time. CS-1 stated that Ratcliff was making plans to rob the methamphetamine source of supply who lived in that house.

CS-1 stated that Lacey WEIR was originally from California and was the connection to the methamphetamine source of supply.

On March 8, 2017, CS-2 was interviewed by law enforcement. CS-2 advised that he had been incarcerated with (CS-1) in January 2017. CS-2 advised that (CS-1) told him that sometime between January 14 and 17, 2017, (CS-1) had observed 49.7 pounds of methamphetamine that had come from California. This information corroborated what (CS-1) advised law enforcement when he was interviewed.

On March 29, 2017, SA Brewer conducted a spot surveillance at 600 Garden Ln., Bristol, VA. The residence was a brick house with two (2) white garage doors down a long asphalt driveway, approximately two (2) blocks from Virginia High School. SA Brewer believed this to be the house described by CS-1 where he observed 49 pounds of crystal methamphetamine and \$250,000.00. SA Brewer observed a silver Dodge Charger parked in the driveway, which may have been the vehicle CS-1 described as belonging to "J.R." Ratcliff.

On March 30, 2017, ATF SA Justin Masuhr conducted a drive by surveillance at 600 Garden Ln., Bristol, VA. SA Masuhr observed the same Dodge Charger, as well as a silver Ford Mustang parked in the driveway at the residence, which may have been the vehicle CS-1 described as belonging to the methamphetamine source of supply from California. According to the records of the Tennessee Dept. of Motor Vehicles, a silver Ford Mustang was registered to John Ratcliff, Jr. and Alba S. Perez at 769 Beechwood Dr., Bristol, TN.

On June 1, 2017, CS-3 was interviewed by law enforcement. CS-3 identified Shawn FARRIS as one of her sources of supply for methamphetamine. CS-3 stated that she had been purchasing methamphetamine from FARRIS since the beginning of 2017. CS-3 stated that she had obtained methamphetamine practically every day, one (1) to two (2) ounces each time. CS-3

stated that FARRIS gave CS-3 the methamphetamine and after it was sold, she would pay him back \$700 per ounce.

CS-3 stated that Levi BENNETT owed FARRIS \$28,000.00 for 7 pounds of methamphetamine. CS-3 stated that FARRIS had assaulted BENNETT a few days prior to BENNETT's arrest. CS-3 advised that the times she purchased methamphetamine from FARRIS, she contacted FARRIS on his cellular telephone. CS-3 advised that the cell phone number for FARRIS would be located in her phone. CS-3 granted permission for her phone to be searched. In the contacts section of the phone agents found the number (276) 591-7287 under the name "*The Man*".

On July 20, 2017, CS-4 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Abingdon, VA. CS-4 stated the following:

Shawn FARRIS was transporting methamphetamine from California to Bristol, VA. The week prior to CS-4's arrest, FARRIS dropped off ½ pound of methamphetamine at CS-4's residence, which was picked up by Brandon Thorpe. CS-4 stated that Zach SNYDER, aka "*Stryker*", distributed methamphetamine for FARRIS, as well as collected drug debts and acted as an enforcer. CS-4 stated that "*J.R.*" Ratcliff, "*Dee Dee*" (Crystal Pharis), and Levi BENNETT also sold methamphetamine for FARRIS.

On June 23, 2017 law enforcement conducted a trash pull at 600 Garden Lane Bristol, VA, the known residence of Shawn FARRIS. A trash pull is a tool for law enforcement wherein the trash of the target residence is discarded at the curb to be picked up. Found during the search was mail belonging to FARRIS, two (2) cell phone boxes, several plastic bags that had previously been heat sealed and receipts from restaurants located in California. Your affiant

knows that it is common for drug traffickers to transport drugs, especially over long distances, in heat sealed containers to avoid detection of the drugs by law enforcement.

On June 29, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 591-7287 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from June 20 to June 29, 2017. The following is an excerpt from the search warrant results:

June 21, 2017

FARRIS to (423) 438-3912 (John Ratcliff), *"I haven't done anything to you so quit texting me"*

Ratcliff to FARRIS, *"Well ur talking about beating my ass n shit and then I find out u called pretty much the cops on me and said I was a drug dealer so I mean hell bro what else is there I'm gonna find out"*

FARRIS to Ratcliff, *"I never called anyone"*

Ratcliff to FARRIS, *"That u made someone come 2000 miles away to deal with a situation and put it off on me when it had none of my doings and ur trying to get me arrested yea I get it"*

FARRIS to Ratcliff, *"No we don't feel with cops cops are not part of our lives we don't call them for any reason"*

Ratcliff to FARRIS, *"...I'm telling u now bro u crossed the line on this one"*

FARRIS to Ratcliff, *"No JR you burnt me and then tried to get rid of me so you could take everything I got well you can stay broke now because I'm never doing anything with you agin"*

Ratcliff to FARRIS, *"I'm over it man I can look past the bullshit I'm more of a man than to hold grudges over anyone but when it comes to my family and shit being said about beating my baby out of Lacey's belly and how my life is over bro it's just to much for me bc that's personal..."*

FARRIS to Ratcliff, *"What want JR for me to say I'm sorry for saying I will beat the baby out of her. I guess that was a little mean and I am sorry for that one"*

Ratcliff to FARRIS, *"I don't need apologies man we are all men we say shit when we are mad I'm over it dude really to much ahit has been done to go back to how things were I left it all alone and I ask u do the same"*

FARRIS to Ratcliff, *"I already did that then you started back up"*

Ratcliff to FARRIS, *"Not when u send ppl from Cali to handle me as u said u planned on remember but again I'm done with it bro no need to continue"*

Based on my training and experience, and my knowledge of this investigation, I believe that Shawn FARRIS and John Ratcliff utilized their cellular telephone to discuss how FARRIS called the police on Ratcliff and reported him as a drug dealer. I believe that FARRIS denied this, but admitted to threatening Ratcliff and his girlfriend, Lacey WEIR. I believe that Ratcliff accused FARRIS of having people from California come to Bristol to collect money from Ratcliff. I believe that this conversation stemmed from FARRIS accusing Ratcliff of stealing drug proceeds from FARRIS.

June 22, 2017

FARRIS to (760) 970-5433 (Davisa Martinez), *"Davisa I'm sending money to your house for Chaubooa I will send you some for letting me ok"*

FARRIS to Martinez, *"I need you to text me you address"*

Martinez to FARRIS, "68238 Via Domingo DHS 92240"

FARRIS to Martinez, "Thanks"

Martinez to FARRIS, "Raul has good shit right now y arent u getn from him espescially since its chesper"

Martinez to FARRIS, "Of course anything 4 u"

Martinez to FARRIS, "U dont have 2 send me money 4 letting u thats what frenz r 4"

FARRIS to Martinez, "I need to have it delivers and Chaubooa has it beautiful to me"

FARRIS to Martinez, "Ok I sent 5000 and I will send 9000 tomorrow. I didn't want to send all my eggs in one shot"

FARRIS to Martinez, "They said it will be at your house by 8:00pm"

Based on my training and experience and knowledge of this investigation, I believe that Shawn FARRIS communicated with Davisa Martinez in Desert Hot Springs, CA ("DHS"). I believe that FARRIS paid Martinez to send money to Martinez's house (\$5,000.00 and \$9,000.00) to be delivered to "Chaubooa" for methamphetamine. Martinez told FARRIS that Raul Lopez ("Raul") had good methamphetamine and told him it was cheaper and asked why he didn't get methamphetamine through him. FARRIS told Martinez that the reason he did not get methamphetamine through Lopez was because he did not deliver it and "Chaubooa" did.

June 27, 2017

(706) 748-8943 (Saleemah Roberson) to FARRIS, "Hey this is Saleemah look Levi went to jail and I had gave him the majority of it and nobody was trying to pay u brought what I had to GA and Rico robbed me"

FARRIS to Roberson, *"Why couldn't you of told me this sooner and why has JR bean lying saying he didn't no what happens Levi only got busted with a half do you no where the rest is at"*

Roberson to FARRIS, *"K no Dee was suppose to round it up but then she went to jail and JR really hadn't spoken to me even now I left my phone at a truck stop k in Alabama"*

FARRIS to Roberson, *"Do you no were JR mite have it at"*

Roberson to FARRIS, *"I haven't been in touch with anyone I was terrified 49000 its what Levi had to give me I just got all my google contacts I'm going to send us number to someone who said they know everyone who had money for Levi"*

FARRIS to Roberson, *"Because JR acted like it was no big deal and never looked for it so I accused him of stilling it from me I thank he has it but he says he didn't"*

Roberson to FARRIS, *"No I didn't think he had it because he would have paid you"*

Based on my training and experience and knowledge of this investigation, I believe that Saleemah Roberson utilized the text messaging service of her cellular telephone to contact Shawn FARRIS. During the conversation they talked about a \$49,000.00 drug debt that Levi BENNETT owed to FARRIS. BENNETT went to jail and FARRIS thought that "JR" (John Ratcliff) had the money that was owed to him.

On July 26, 2017, John Ratcliff was arrested in Bristol, TN pursuant to an outstanding warrant for violation of probation. Based on a 4th Amendment waiver, to which Ratcliff had previously agreed to as part of his probation, a search was conducted at his residence. Approximately 1.3 kilograms of crystal methamphetamine and a handgun were seized from Ratcliff's bedroom.

Subsequent to his arrest, Ratcliff agreed to be interviewed by agents. Ratcliff stated that the two (2) largest methamphetamine distributors in the area were Shawn FARRIS and Sean MAIDLOW, both from California. Ratcliff stated that he worked for both FARRIS and MAIDLOW to collect drug proceeds and to introduce them to drug distributors. Ratcliff stated that FARRIS drove his methamphetamine from California, and MAIDLOW had it mailed here to different addresses. Ratcliff stated that FARRIS was driving a new Dodge Challenger registered in the name of "*Nikki*" STICKEL. Ratcliff advised that FARRIS printed receipts from his computer to make it look like he had won money at casinos in case it was detected by law enforcement.

Ratcliff advised that on occasion, FARRIS mailed money to Desert Hot Springs, California to "Tim" and "Lori". Ratcliff provided the address of 5 Sand Creek Drive, Cathedral City, CA as a location where money was sent.

Ratcliff stated that FARRIS' telephone number was saved under "*Sean*" and MAIDLOW's cellular telephone number was saved under "*Sean Sean*" in his cellular telephone. Ratcliff agreed to let agents search his cellular telephone.

Saved under "*Sean*" was telephone number (276) 591-7287, a known telephone number for Shawn FARRIS. According to the records of Verizon Wireless, telephone number (276) 591-7287 was subscribed to by Shawn FARRIS at 600 Garden Ln., Bristol, VA.

On August 16, 2017, James Nicholas HOWINGTON was interviewed in Abingdon, VA. HOWINGTON stated that he was a distributor of methamphetamine for Shawn LNU (last name unknown). HOWINGTON stated that Shawn LNU was from California and currently lived in a house located near Virginia High School. HOWINGTON stated that Shawn LNU used to drive a

silver Dodge Charger, but was currently driving a new Dodge Challenger registered to “Nikki” STICKEL.

HOWINGTON stated that he had obtained methamphetamine from Shawn LNU on only two (2) occasions, twelve (12) ounces each time. HOWINGTON stated that Shawn LNU also provided HOWINGTON with two (2) ounces of heroin. HOWINGTON also stated that he was present at Shawn LNU’s residence on one (1) occasion when he received a package from California. HOWINGTON was directed by Shawn LNU to open and unpackage the contents. HOWINGTON advised that the package contained three (3) heat sealed bags and each bag contained either one (1) pound or one (1) kilo each of methamphetamine. HOWINGTON provided additional information on Lacey WEIR, “J.R.” Ratcliff, “Nikki” STICKEL, Sophia LNU (McMurray), and others who were involved in the distribution of methamphetamine with Shawn LNU.

On August 30, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 791-6721 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from August 19 to August 25, 2017. The following is an excerpt from the search warrant results:

August 20, 2017

FARRIS to (276) 274-6648 (Darlene BARRETT), “*Don't no it was Sunday I will send it in the morning*”

BARRETT to FARRIS, “*Damn*”

BARRETT to FARRIS, “*Ok*”

Based on my training and experience, and my knowledge of this investigation I believe that Shawn FARRIS utilized the text messaging service of his cellular telephone to contact Darlene BARRETT. I believe that FARRIS told BARRETT that he was not able to send a package of methamphetamine to her because it was Sunday. I believe that FARRIS told BARRETT he would send the methamphetamine the next day.

August 25, 2017

(276) 274-6648 (Darlene BARRETT) to (276)791-6721 (FARRIS), *"Why 15 when it's been 14"*

FARRIS to BARRETT, *"Because the blue stuff was extra"*

BARRETT to FARRIS, *"Damn we each got one blue so 7500 a piece"*

FARRIS to BARRETT, *"Yes"*

BARRETT to FARRIS, *"Ok"*

Based on my training and experience, and my knowledge of this investigation, I believe that Darlene BARRETT utilized the text messaging service of her cellular telephone to contact Shawn FARRIS on his cellular telephone. I believe that BARRETT asked FARRIS why he sent her 15 ounces of methamphetamine when she usually received 14 ounces, *"Why 15 when it's been 14"*. I believe that FARRIS advised BARRETT that they received an extra ounce of "blue" methamphetamine free of charge. I believe that BARRETT then confirmed that she would owe \$7,500.00 for the methamphetamine she received, *"Damn we each got one blue so 7500 a piece"*

On September 13, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 791-6721 (Shawn FARRIS). In response to the execution of this search warrant on Verizon

Wireless, agents received text messages stored in those accounts from August 30 to September 13, 2017. The following is an excerpt from the search warrant results:

September 11, 2017

(276) 206-0368 (Bradley WILLIAMS) to FARRIS, *"Hey bro, everything ok?"*

FARRIS to WILLIAMS, *"Address please"*

WILLIAMS to FARRIS, *"209 B Street Abingdon, VA 24210"*

WILLIAMS to FARRIS, *"You have my address right"*

FARRIS to WILLIAMS, *"That's what I was looking for I just need house number and zip"*

September 12, 2017

FARRIS to WILLIAMS, *"I sent some boxes for you to send money"*

WILLIAMS to FARRIS, *"Ok"*

Based on my training and experience, and my knowledge of this investigation, I believe that Brad WILLIAMS and Shawn FARRIS utilized the text messaging services of their cellular telephones to engage in a conversation. I believe that WILLIAMS provided an address to FARRIS to which FARRIS sent a package of methamphetamine. I also believe that FARRIS advised WILLIAMS that he included shipping boxes in the package of methamphetamine for WILLIAMS to send money to FARRIS once the methamphetamine was sold. The address used to send the package to WILLIAMS was 209 B Street Abingdon, VA. According to the Abingdon, VA Police Department's database, this was the known address of Charlotte Finch. Your affiant is aware that Charlotte Finch is the on again, off again girlfriend of WILLIAMS and she is the mother of WILLIAMS' children.

On September 19, 2017, Bradley WILLIAMS was arrested with approximately one (1) ounce of methamphetamine and approximately \$4,400.00. CS-6 was interviewed and advised that WILLIAMS had obtained the methamphetamine from Darlene BARRETT. CS-6 stated that he/she had been with WILLIAMS on multiple occasions when he delivered methamphetamine for BARRETT.

On September 27, 2017, CS-31 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Greeneville, TN. CS-31 stated that he had been introduced to "Shawn" who was from California. CS-31 stated that "Shawn" had bought a house located on the Virginia side of Bristol. CS-31 stated that "Shawn" left for days at a time and drove to California to pick up methamphetamine. CS-31 stated that on one (1) occasion, he saw vacuum sealed bags at "Shawn's" residence that contained methamphetamine. CS-31 stated that he was introduced to "Shawn" by Brianna WOODBY. Based on your affiant's knowledge of this investigation, your affiant believes that when referring to "Shawn", CS-31 was referring to Shawn FARRIS.

On November 1, 2017, CS-3 was interviewed again by law enforcement. CS-3 stated that Shawn FARRIS was the person who was currently bringing all the methamphetamine to the area. CS-3 advised that Larry Addair used to work for FARRIS before his murder. CS-3 advised that she had known FARRIS for approximately one (1) year. CS-3 advised that she obtained methamphetamine from FARRIS, about one (1) ounce per week for the last six (6) months, approximately twenty four (24) ounces total. CS-3 advised that she really didn't sell the methamphetamine, that Levi BENNETT did most of the selling.

CS-3 advised that a few days after BENNETT last went to jail in Virginia, FARRIS came to her residence claiming that BENNETT owed him \$40,000.00 for seven (7) pounds of

methamphetamine. CS-3 advised that she did not know anything about that, she had never seen BENNETT with seven (7) pounds of methamphetamine, the most she had ever seen BENNETT with was two (2) pounds. CS-3 advised that the seven (7) pounds of methamphetamine was supposedly “fronted” to Saleemah ROBERSON, who in turn “fronted” the methamphetamine to BENNETT for resale.

On March 15, 2018, the United States Postal Service discovered a package that was mailed from California to Darlene BARRETT at 240 Campbell Street Abingdon, VA. The USPS intercepted the package and after a police K-9 alerted to the package having an illegal narcotic inside of it, a search warrant was obtained by the USPS. A crystal like substance was found inside the package that was field tested and was positive for methamphetamine.

The methamphetamine was replaced with a “fake” substance and repackaged in the original package. A federal search warrant was obtained for 240 Campbell Street Abingdon, VA (known residence of Melissa Darlene BARRETT). On March 16, 2018, the package of methamphetamine was delivered by the USPS and after the package was taken from the mailbox, the search warrant was served.

Several items were found during the search and they included the following items: the package of “fake” methamphetamine that was delivered by USPS, two (2) sets of digital scales, several empty zip style bags and other items.

The following text message was recovered from BARRETT’s phone:

March 16, 2018

(276) 791-6721 (Shawn FARRIS) to (276) 274-6648 (Darlene BARRETT), *“It’s there”*

Based on my training and experience, and knowledge of this investigation, I believe that Shawn FARRIS advised Darlene BARRETT that the package of methamphetamine he sent her had arrived at her house. I believe that FARRIS had been tracking the package via the United States Postal Service tracking number.

BARRETT was interviewed by law enforcement on the same day. Before the interview started, BARRETT was advised of her Miranda rights and she acknowledged she understood them and agreed to speak with law enforcement. During the interview BARRETT stated that her source of supply for methamphetamine was Shawn FARRIS. BARRETT advised that she met FARRIS in January 2017 through a mutual friend, John Ratcliff. BARRETT purchased 1/8 ounce of methamphetamine for \$225.00 from FARRIS during the first meeting. For the next four (4) months BARRETT purchased 1/8 ounce of methamphetamine from FARRIS two (2) to three (3) time per week for \$200.00 each. After four (4) months, FARRIS "fronted" one (1) ounce of methamphetamine for \$700.00. BARRETT was then "fronted" one (1) ounce of methamphetamine per week for the next four (4) to five (5) months. After FARRIS moved back to California, he started mailing the methamphetamine to BARRETT. During the last three (3) to four (4) months FARRIS has been fronting 1/4 pound quantities of methamphetamine to BARRETT for \$1,750.00. The packages with 1/4 pound quantities arrived every week or two. Once or twice the packages that FARRIS sent to BARRETT only contained one (1) ounce of methamphetamine. BARRETT advised there was a six (6) week period when she did not receive any methamphetamine from FARRIS. BARRETT advised that she would owe FARRIS \$1,750.00 for every four (4) ounces of methamphetamine she received from him. FARRIS advised BARRETT to never sign for packages. BARRETT advised that she used the Postal Service to mail the money back to FARRIS. She placed the United States currency into a little

yellow, plastic, bubble wrap lined envelope with the currency inside. She then placed the envelope inside of a USPS Priority Mail Box and mailed the package to Shawn FARRIS at 253 Standing Bear Road, Cathedral City, CA.

Cooperating with law enforcement, BARRETT and FARRIS engaged in the following conversation via text message:

March 19, 2018

FARRIS to BARRETT, *"Just wondering if you sent that today. And need to know if you are ready"*

BARRETT to FARRIS, *"No you"*

BARRETT to FARRIS, *"Not ready"*

Based on my training and experience, and my knowledge of this investigation, I believe that Shawn FARRIS asked Darlene BARRETT if she had sent the money for the methamphetamine to him and asked her if she was ready for him to send another package of methamphetamine, to which she replied that she had not sent the money and she was not ready for more methamphetamine.

On April 5, 2018, Shawn FARRIS sent a second package addressed to Darlene BARRETT. With BARRETT's consent, the package was intercepted by the United States Postal Service (USPS). The package was opened and was found to contain approximately four (4) ounces of a crystal substance that was field tested and was positive for methamphetamine. After the package was intercepted, law enforcement met with BARRETT and \$1,750.00 was sent to

FARRIS from BARRETT using Official Government Funds (ATF Funds). The money was tracked through the USPS.

On April 13, 2018 a third package was intercepted by law enforcement. The package was sent from Shawn FARRIS to Darlene BARRETT. BARRETT gave consent for the package to be opened by law enforcement. The package was found to contain a crystal substance that was field tested and was found to be positive for methamphetamine.

According to the records of NCIC, Shawn Wayne FARRIS was arrested in 1985 for Possession of a Controlled Substance and Unlawful Carrying of a Weapon (no disposition). FARRIS was convicted in 1993 for Possession of Concentrated Cannabis, and in 2001 for Possession of a Controlled Substance. In 2006, FARRIS was convicted of Possession of a Controlled Substance and Manufacturing Methamphetamine. In 2010, FARRIS was arrested for Possession of a Controlled Substance for Sale (dismissed) and Possession of a Prohibited Weapon (convicted). In 2011, FARRIS was convicted of Possession of a Controlled Substance for Sale. (423) 646-0505 (James Mullins) to (423) 544-1581 (Lacey WEIR), *"You didn't do the whole thing up did you do like a hundred twenty bucks what do you have left just be honest with me you know we're friends I don't want to cut you off like I did some more but I mean I can handle no more losses lately..."*

On September 28, 2017, a traffic stop was conducted in Bristol, TN on a vehicle operated by Teryn FELTY. The officer issued FELTY a citation for a tag light being out and gave her things back to her and completed the stop. The officer then asked FELTY if there was anything illegal inside the vehicle and FELTY advised, no. The officer then asked FELTY for consent to search the vehicle. The officer noted that FELTY became nervous as if she was concealing something. The officer then explained to FELTY that he had observed her leaving a high narcotics area and asked her what she was concealing in the vehicle. At this time FELTY presented the officer with a bag that contained what FELTY stated was twelve (12) grams of methamphetamine. Saleemah Lashawn ROBERSON, aka "*Georgia*", aka "*Lema*"

On June 29, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 591-7287 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from June 20 to June 29, 2017. The following is an excerpt from the search warrant results:

June 26, 2017

(706)748-8943 (Saleemah ROBERSON) to FARRIS, *"Hey this is Saleemah look Levi went to jail and I had gave him the majority of it and nobody was trying to pay u brought what I had to Ga and Rico robbed me"*

FARRIS to ROBERSON, *"Why couldn't you of told me this sooner and why has JR been lying saying he didn't no what happens Levi only got busted with a half do you no where the rest is at"*

ROBERSON to FARRIS, *"No Dee was suppose to round it up but then she went to jail and JR really hadn't spoken to me even now I left my phone at truck stop in Alabama"*

FARRIS to ROBERSON, *"Because JR acted like it was no big deal and never looked for it so I accused him of stilling it from me"*

FARRIS to ROBERSON, *"I thank he has it"*

FARRIS to ROBERSON, *"But he says he didn't"*

ROBERSON to FARRIS, *"I have to get back into my Facebook to get the number Rico stole my other phone and had been contacting people acting like its me so my mother shut my Facebook down"*

Later in the same conversation:

FARRIS to ROBERSON, *"It's alright I just don't know why JR acts like it's nothing"*

FARRIS to ROBERSON, *"He hasn't even faced me sence then"*

ROBERSON to FARRIS, *"I don't either I damn sure didn't I was terrified and hrs knew Dee was suppose to round it up he could have helped"*

ROBERSON to FARRIS, *"I was scared to attempt communication with my family JR could've helped"*

FARRIS to ROBERSON, *"Dee Dee couldn't find anything because I was at her house the next morning after Levi got arrested and she was looking all over for it she didn't no it was mine she was trying to help me get a car back"*

FARRIS to ROBERSON, *"Ok"*

FARRIS to ROBERSON, *"Do you no Levi first and last name"*

ROBERSON to FARRIS, *"I know the last name is Bennett"*

Based on my training and experience and knowledge of this investigation, I believe that Saleemah ROBERSON contacted Shawn FARRIS to discuss ROBERSON "fronting" Levi

BENNETT methamphetamine that ROBERSON had obtained from FARRIS. I believe that BENNETT did not hold up his end of the deal and went to jail. I believe that ROBERSON was scared of FARRIS and the repercussions of losing the methamphetamine so ROBERSON left the area. I believe that the total loss of methamphetamine/money for FARRIS was \$49,000.00.

On July 20, 2017, CS-4 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Abingdon, VA. CS-4 stated that "Georgia" sold methamphetamine to Heather Ashley DAVIS, Terry DALTON and others. CS-4 stated that "Georgia" believed that the "Feds" were watching her and moved out of town. CS-4 stated that "Georgia" also had suppliers of methamphetamine out of Georgia. (Your affiant is aware that a nickname for Saleemah ROBERSON is "Georgia" and she is a black female.)

On July 26, 2017, John Ratcliff was arrested in Bristol, TN in possession of 1.3 kilograms of crystal methamphetamine and a handgun. Ratcliff cooperated with law enforcement and gave consent to have his phone searched. Pursuant to the search of Ratcliff's phone, the following text messages were retrieved between Ratcliff and Sean MAIDLOW:

July 3, 2017

Ratcliff to MAIDLOW, *"I turned that stuff around yesterday I wasn't happy with the quality"*

MAIDLOW to Ratcliff, *"So what happened, did you get it"*

Ratcliff to MAIDLOW, *"No I was not happy with the quality of the work at hand it didn't seem right so I had dude turn it around"*

MAIDLOW to Ratcliff, *"Ok"*

Ratcliff to MAIDLOW, *"All that bullshit for there bullshit wasn't good enough for me and I said nope I'll go home first"*

MAIDLOW to Ratcliff, *"Shit that suck well at least we still have the money to send back"*

Ratcliff to MAIDLOW, *"I left it in her house and dude is coming to see her now with it and she is gonna meet me in Erwin with the rest as soon as they are done"*

MAIDLOW to Ratcliff, *"So the 10 I gave you plus the seven he has all ready plus the 3 I have that 20 so we r still good"*

Based on my training and experience, and my knowledge of this investigation, I believe that John Ratcliff had made a trip to Georgia to obtain methamphetamine from Saleemah ROBERSON (*"Lema"*). I believe that Ratcliff took \$10,000.00 of Sean MAIDLOW's money, but was not happy with the quality of the methamphetamine, so returned with \$6,500.00 and was awaiting the rest when ROBERSON came up to Erwin, TN. I believe that MAIDLOW confirmed that they had \$20,000.00 between them to purchase more methamphetamine.

On October 30, 2017, CS-3 was interviewed by law enforcement. CS-3 stated that Saleemah ROBERSON was a black female who brings methamphetamine to the area from Georgia. CS-3 stated that she has known ROBERSON for a long time going back to her days of

selling marijuana. CS-3 stated that ROBERSON stopped selling marijuana and began selling methamphetamine because it was more profitable. CS-3 stated that she had obtained a couple of pounds of methamphetamine from ROBERSON since February 2017.

CS-3 stated that a few days after Levi BENNETT last went to jail in Virginia, Shawn FARRIS came to her residence claiming that BENNETT owed him \$40,000.00 for seven (7) pounds of methamphetamine. CS-3 advised that she did not know anything about that. CS-3 stated that she had never seen BENNETT with seven (7) pounds of methamphetamine and the most she had ever seen BENNETT with was two (2) pounds. CS-3 stated that the seven (7) pounds of methamphetamine was supposedly "fronted" to ROBERSON who in turn "fronted" the methamphetamine to BENNETT for resale.

ROBERSON stated that prior to the arrival of Stone that night, ROBERSON attempted to appease Key and provided him with four (4) ounces of methamphetamine that she obtained in Athens, GA.

On March 6, 2018, Joshua CHAPMAN was interviewed in Bristol, VA. CHAPMAN stated that since a search warrant was executed at the residence of Tim Green (summer 2017, subsequently indicted in the Eastern District of Tennessee in a related conspiracy), CHAPMAN, Scott Stone and Miles Key made trips to Georgia and obtained methamphetamine from Saleemah. CHAPMAN did not know Saleemah's last name, but described her as a black female who lived in Georgia.

CHAPMAN stated that between October and December 2017, they purchased ½ to one (1) kilogram of methamphetamine every other day from Saleemah and split it three (3) ways. I believe that FARRIS advised ROBERSON that he only sent methamphetamine on Monday, Tuesday and Wednesday. I believe that ROBERSON advised FARRIS that she would send his drug proceeds the following day, priority mail.

Whitt to SEBASTIAN, *"You fine on that I've got Roxanne coming over"*

SEBASTIAN to Whitt, *"On my way dude"*

Based on my training and experience, and my knowledge of this investigation, I believe that Skyler SEBASTIAN contacted Joe Whitt to obtain methamphetamine. I believe that Whitt inquired of SEBASTIAN if he could obtain Roxicet (oxycodone), to which SEBASTIAN replied that he was already in the process. I believe that SEBASTIAN proceeded to order four (4) ounces of methamphetamine (*"4 new tires"*), which Whitt agreed to sell to him.

February 25, 2017

SEBASTIAN to Whitt, *"Oh ok cool. I'm headed to the Pinnacle rn."*

Based on my training and experience, and my knowledge of this investigation, I believe that Skyler SEBASTIAN advised Joe Whitt that he was meeting with Whitt's girlfriend (believed to be Rachel Sammons at the time) to pay back \$5,000.00 in drug proceeds.

(In January 2018, both Joe Whitt and Rachel Sammons were indicted in a related conspiracy to distribute methamphetamine in the Eastern District of Tennessee.)

On March 28, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (423) 723-4169 (Terry DALTON). Based on my training and experience, and my knowledge of this investigation, I believe that Terry DALTON contacted Skyler SEBASTIAN to obtain methamphetamine. I believe that DALTON told SEBASTIAN that he had previously purchased methamphetamine from another person to make some money.

March 22, 2017

Terry DALTON to (423) 220-9624 (Skyler SEBASTIAN), *"Hey bro would u b interested in a 38 like mine"*

DALTON to SEBASTIAN, *"Got someone trying 2 trade me one idk if u would b or not"*

SEBASTIAN to DALTON, *"Yea I would"*

Based on my training and experience, and my knowledge of this investigation, I believe that Terry DALTON contacted Skyler SEBASTIAN to ascertain if SEBASTIAN would like a .38 caliber pistol in trade for methamphetamine.

On March 28, 2017, a Confidential Source (CS) working with the Washington County, Virginia Sheriff's Office (WCSO) and Virginia State Police (VSP) contacted Detective Noah Horn and advised that he could purchase methamphetamine from Amy Mann (aka Amy McFarlane). The CS advised that Mann had contacted him and advised that she had plenty of methamphetamine. A deal was set up for the CS to purchase 3.5 grams of methamphetamine from Mann for \$200.00. SA Billy Keene acted in an undercover capacity and agreed to drive the CS. Before the deal could take place Mann contacted the CS and advised that she would not be able to come, but stated that she was sending "Skyler" to deliver the methamphetamine. The CS identified James Skyler SEBASTIAN from a Facebook photo. It was decided that the CS and Keene would meet SEBASTIAN at the Dollar Tree located at Exit 7 in Bristol, Virginia. The CS and Keene arrived at the Dollar Tree and SEBASTIAN arrived a short time later. The CS exited the UC vehicle and got into the vehicle driven by SEBASTIAN. The deal took place with the CS giving SEBASTIAN the \$200.00 and in return receiving the methamphetamine from SEBASTIAN. Once the deal was complete the CS exited the vehicle, got back into the UC vehicle and the CS and Keene traveled to a staging location. Once at the staging location

Detective Noah Horn took possession of the methamphetamine for safekeeping. During a debrief with the CS he advised that during the deal SEBASTIAN had shown him a black back pack that was full of marijuana in one pocket and methamphetamine in another pocket.

On June 1, 2017, CS-3 was interviewed by law enforcement. CS-3 stated that she had obtained methamphetamine from Skyler SEBASTIAN for a two (2) month period. CS-3 also advised that SEBASTIAN and Larry Levi BENNETT were friends and business partners in the distribution of methamphetamine. CS-3 advised that Shawn FARRIS was a source of methamphetamine for SEBASTIAN and BENNETT. CS-3 further advised that SEBASTIAN had a second source for methamphetamine named "*Georgia*" who lived on State Street in Bristol. CS-3 also told law enforcement that her role in helping SEBASTIAN and BENNETT was she would meet with Shawn FARRIS near his house (600 Garden Lane Bristol, VA) and pick up ounce quantities of methamphetamine. CS-3 would then provide the methamphetamine to BENNETT and SEBASTIAN. Once the methamphetamine was sold, CS-3 took the payment for the methamphetamine back to FARRIS.

On June 1, 2017, a Confidential Source (CS) working with the Washington County, Virginia Sheriff's office met with SEBASTIAN at his residence located at 21071 Black Smith Trail. The CS was advised by SEBASTIAN that he had just sold his last bit of methamphetamine, but he would have more later in the day.

On June 2, 2017, members of the United States Marshal's Service and the Washington County, Virginia Sheriff's Office served a search warrant at 21071 Black Smith Trail (residence of Skyler SEBASTIAN). The search warrant was for the person of Kevin Carter, a person wanted by the USMS and WCSO. During the service of the search warrant, Carter was located.

Officers observed in plain view, items associated with the distribution of methamphetamine and could smell what was identified as the odor of marijuana. The house was cleared and secured by the WCSO and the WCSO obtained an additional search warrant to search the residence for illegal narcotics. The search warrant was granted. During the service of the search warrant several narcotics and narcotics related items were located including a large quantity of methamphetamine and marijuana.

On June 14, 2017, Amy Mann was arrested in possession of methamphetamine and a handgun. A search of her cellular telephone revealed the following text messages with telephone number (276) 285-4376, saved under "Skyler":

April 19, 2017

Mann to SEBASTIAN, *"Ok these people jus to slow can I send Terry by to get half of a game for me it for Bill and have to get it packages for him"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann contacted Skyler SEBASTIAN and inquired if she could send Terry DALTON over to pick up ½ of 1/8 ounce of methamphetamine ("*half of a game*") from SEBASTIAN.

Mann to SEBASTIAN, *"Hey u up??"*

methamphetamine. I believe that later in the day, Mann ordered ¼ ounce of methamphetamine from SEBASTIAN for \$280.00, and advised SEBASTIAN that once he had more, she had a customer who wanted ounces of methamphetamine ("*someone need wholes*").

April 23, 2017

Mann to SEBASTIAN, "*Hey Hun need to come by for couple of things but one is need another quarter...*"

SEBASTIAN to Mann, *"Yea sure"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann arranged to meet with Skyler SEBASTIAN to pay him drug proceeds and obtain additional methamphetamine. I believe that Mann and SEBASTIAN agreed that she owed \$220.00 for five (5) grams of methamphetamine.

April 27, 2017

SEBASTIAN to Mann, *"Yea"*

Mann to SEBASTIAN, *"She friends w Heather Ashley so I hitting her up now"*

Mann to Brandon Thorpe, *"Amber Rose stole about 8,000 from Skyler today so if u can help locate her before she spends all his money he will make sure u taken care of"*

Based on my training and experience, and my knowledge of this investigation, I believe that Skyler SEBASTIAN contacted Amy Mann to advise her that he had been robbed of \$8,000.00 in drug proceeds. I believe that Mann contacted several drug associates, including Heather Ashley DAVIS and Brandon Thorpe (subsequently indicted in the Eastern District of Tennessee in a related conspiracy) to try and find the money.

April 29, 2017

Mann to SEBASTIAN, *"Hey Hun u home"*

SEBASTIAN to Mann, *"Yes mam"*

Mann to SEBASTIAN, *"I coming to see u shortly. Ring u more money and get and give ya good news"*

SEBASTIAN to Mann, *"Ok then u ok"*

Mann to SEBASTIAN, *"Please tell me u have pain?"*

SEBASTIAN to Mann, *"I do"*

Mann to SEBASTIAN, *"Soon as Terry brings my money I coming out there to see ya and have some good news for u"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann contacted Skyler SEBASTIAN to pay him drug proceeds and obtain additional

methamphetamine (*"Ring u more money and get"*). I believe that SEBASTIAN advised Mann that he had pain pills for her.

April 30, 2017

Mann to SEBASTIAN, *"Hey have someone needing a lot could use it to"*

SEBASTIAN to Mann, *"I'm going to get right now"*

Mann to SEBASTIAN, *"Call me before get I can add a lot of money to it"*

Mann to SEBASTIAN, *"It ok where those burgers are half or quarter pound I will have him come her to fix them so I should be ok"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann contacted Skyler SEBASTIAN to advise him that she had a customer who wanted a large amount of methamphetamine (*"someone needing a lot"*). I believe that SEBASTIAN advised Mann that he was going to pick methamphetamine up from his source, and Mann offered to provide a lot of additional money. I believe that Mann advised SEBASTIAN that her customer was ordering ½ or ¼ pound of methamphetamine (*"burgers are half or quarter pound"*).

May 1, 2017

Mann to SEBASTIAN, *"I coming to u first so not taking two vehicles to drop off how many 30's u want going to have him meet me"*

(276) 285-1884 (Jim) to Mann, *"Did u ever do any good"*

Mann to Jim, *"Yea had whole getting another now"*

Mann to Jim, *"Still at Skyer's"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann inquired of Skyler SEBASTIAN how many 30 mg oxycodone pills ("30's") he wanted. I believe that Mann then contacted Todd MULLINS to ask if he could obtain the pills. I believe that Mann then collected drug proceeds from "Eric" and provided him with ½ ounce of methamphetamine at the direction of SEBASTIAN. I believe that "Jim" inquired of Mann if she ever obtained methamphetamine, and she replied that she had already sold one (1) ounce and was picking up another at SEBASTIAN's.

On June 15, 2017, Amy Mann was interviewed by law enforcement after having been advised of her Miranda Rights. During the interview Mann advised that she had known Skyler SEBASTIAN since December 2016. Mann advised that when she first met him, he sold one (1) ounce of methamphetamine every couple of days. She further advised that in February or March SEBASTIAN began selling one (1) pound of methamphetamine per day. She advised that SEBASTIAN had never sold her methamphetamine, but she had introduced Bill Taylor, Timothy

Barry (Timothy Barry Hall, aka "*Mohawk*") and Brandon Malone to SEBASTIAN so he could sell crystal methamphetamine to them.

On July 20, 2017, CS-4 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Abingdon, VA. CS-4 stated that Zach SNYDER (Donald Zachary SNYDER) was a debt collector and enforcer for Shawn FARRIS. CS-4 advised that Skyler SEBASTIAN was supplied methamphetamine by SNYDER. CS-4 further told law enforcement that SEBASTIAN obtained one (1) pound of methamphetamine from Craig Estep in April 2017.

According to the records of NCIC, James Skyler SEBASTIAN was convicted of Possession for Resale of a Schedule I or II Controlled Substance and Possession of a Firearm while in Possession of Drugs in 2018.

Larry Levi BENNETT

On December 8, 2016, a Confidential Source (CS) working with the Washington County, Virginia Sheriff's Office (WCSO) was utilized to conduct a controlled purchase of methamphetamine from Levi BENNETT.

The CS met with officers from the WCSO at a pre-determined staging area. The CS advised officers that he/she could purchase two (2) "8 balls" (1/8 ounce each) of methamphetamine from Levi BENNETT. The CS advised that the deal would take place at the home of Michelle Boardwine (known to officers as 145 S. Monte Vista Drive Glade Spring, VA). The CS and CS' vehicle were searched and no illegal items or substances were found in either place. The CS was given \$400.00 of pre-recorded United States currency for the transaction and an audio recorder was placed on the person of the CS.

The CS was followed to the above address by officers and was observed going into the home. Once inside the deal with BENNETT took place. The CS gave BENNETT the \$400.00 and in return received two (2) small Ziploc style bags each containing a crystal substance. BENNETT explained to the CS that the weight of the methamphetamine would be a little short, but he would make it up on the next purchase. The CS left the residence and was followed by officers back to a staging location. The crystal methamphetamine was turned over to officers for safekeeping and lab analysis. The CS and vehicle were searched and no illegal substances or items were found in either place.

On January 12, 2017, CS-11 was interviewed by law enforcement. CS-11 stated that Levi BENNETT was a methamphetamine distributor and sold approximately a few ounces per week. CS-11 stated that BENNETT's cellular telephone number was (276) 782-2761.

On January 18, 2017, CS-12 was interviewed by law enforcement. CS-12 stated that just prior to his arrest, Brandon WHITT supplied her and Levi BENNETT with methamphetamine. CS-12 advised that she and BENNETT traveled together and met WHITT. CS-12 stated that each of them bought an "8 ball" (1/8 ounce). CS-12 paid \$200.00 for her methamphetamine, but was unsure how much BENNETT paid.

On February 2, 2017, a traffic stop was conducted in Kingsport, TN on a vehicle in which David ESTEP, Jr. and Levi BENNETT were passengers. While the vehicle was coming to a stop, ESTEP threw a bag of crystal methamphetamine from the passenger window. Seized from the passenger side floor board was additional crystal methamphetamine. Also seized from the vehicle were scales, plastic baggies and drug paraphernalia. ESTEP was arrested for possession with intent to distribute crystal methamphetamine.

On February 3, 2017, David Estep, Jr. (subsequently indicted in the Eastern District of Tennessee in a related conspiracy) was interviewed by law enforcement. Estep stated that at one time he purchased methamphetamine from Bill Taylor. Estep stated that on one (1) occasion, he and "Levi" met Taylor at the Walmart parking lot at exit 7. Estep stated that he purchased 2½ ounces and "Levi" purchased 1½ ounces of methamphetamine from Taylor.

On February 24, 2017, the Washington County, Virginia Sheriff's Office (WCSO) arrested Levi BENNETT for an outstanding warrant from Smyth County, Virginia. During a search of the vehicle in which BENNETT was a passenger, a multi-colored grinder was found. Inside the grinder, a crystal residue was found that was field tested utilizing a field test kit that has been proven accurate and reliable to law enforcement. The substance tested positive for methamphetamine. BENNETT admitted ownership of the methamphetamine.

On April 4, 2017, CS-12 was arrested by the Smyth County, Virginia Sheriff's Office in Chilhowie, VA in possession of approximately sixteen (16) grams of methamphetamine. Following her arrest, CS-12 provided information to law enforcement regarding her knowledge of drug trafficking in Northeast, TN and Southwest, VA. CS-12 stated that Levi BENNETT was a methamphetamine distributor. CS-12 advised that BENNETT was distributing up to ¼ pound of methamphetamine at a time for the "Farm" (property owned by Lawrence Powell Earhart) in Bristol, TN. CS-12 showed the arresting Deputy a picture of BENNETT holding a piece of crystal methamphetamine that appeared to be six (6) inches long and two (2) inches wide.

On May 17, 2017, CS-13 was interviewed by law enforcement following his arrest for possession with intent to distribute methamphetamine. CS-13 advised that he was a methamphetamine user, who supplied his habit by selling methamphetamine. CS-13 advised that

the seven (7) grams of methamphetamine that he had in his possession at the time of his arrest belonged to "Dee Dee" (Crystal Pharis – subsequently indicted in the Eastern District of Tennessee in a related conspiracy). CS-13 advised that "Dee Dee" was dating "Levi" (BENNETT). CS-13 advised that he had known "Dee Dee" and "Levi" for a few weeks and since meeting them, he had obtained methamphetamine from them several times. CS-13 advised that he had sold approximately three (3) ounces of methamphetamine for "Dee Dee" and "Levi" during the time he had known them.

CS-13 further advised that at some point in the last couple of days, leading to this arrest, he received a text message from "Dee Dee" and "Levi" advising that they had sixteen (16) ounces of methamphetamine.

On June 9, 2017, a search warrant was applied for and obtained in the Eastern District of Tennessee for text message content stored in the accounts of telephone number (423) 278-4353 (Karen Lark). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from May 21 to June 9, 2017. The following is an excerpt from the search warrant results:

May 21, 2017

Karen Lark to (423) 480-1254 ("*DeeDee and Levi*"), "*Hey r u coming by? Or do I need 2 walk that way?*"

Based on my training and experience, and my knowledge of this investigation, I believe that Karen Lark contacted Crystal Pharis and Levi BENNETT in an attempt to obtain methamphetamine. (In July 2017, John Ratcliff was arrested in possession of methamphetamine

and a gun. Pursuant to a search of his cellular telephone, it was found that telephone number (423) 480-1254 was saved under "*DeeDee and Levi*".)

May 24, 2017

Karen Lark to (423) 480-1254 ("*DeeDee and Levi*"), "*Hey I've only got this phone for now was Goddamn arrested yesterday and left my phone n chics car til 2moro need u 2 call and let me know when ur bringin that 2 me and he said 4 now he just needs the cash*"

Lark to "*DeeDee and Levi*", "*Have u checked w J*"

Lark to "*DeeDee and Levi*", "*Working on shit now? Can u all please come on and get me outta here asap*"

Based on my training and experience, and my knowledge of this investigation, I believe that Karen Lark contacted Crystal Pharis and Levi BENNETT to obtain methamphetamine and cash for an unknown person. I believe that Lark inquired of Pharis and BENNETT if they had checked with Jason Clements ("*J*") regarding his methamphetamine needs.

On June 1, 2017, CS-3 was interviewed by law enforcement. CS-3 identified Shawn FARRIS from a photo that was shown to her. CS-3 advised that FARRIS came to her house the day that Levi BENNETT was arrested. CS-3 advised that FARRIS beat up BENNETT with a Mag flashlight. CS-3 advised that FARRIS was mad because BENNETT owed FARRIS \$28,000.00 for seven (7) pounds of methamphetamine. CS-3 advised that FARRIS was also upset over a stolen car that had been purchased by John Ratcliff, and given to her. CS-3 advised that the vehicle was supposed to be used to pay some of the \$28,000.00 debt.

CS-3 further advised that she had obtained three (3) to four (4) ounces of methamphetamine from FARRIS a couple of times. CS-3 advised that FARRIS fronted the methamphetamine to her and she would have to pay him back \$700.00 per ounce once it was sold. CS-3 advised that she was the go between and did not make anything off of the sales. She did not know where FARRIS lived, other than somewhere near Walgreen's.

CS-3 stated that she obtained one (1) to two (2) ounces of methamphetamine from FARRIS every day since she got out of jail earlier this year. CS-3 stated again that she was given the methamphetamine by FARRIS and would have to pay him after it was sold. CS-3 had to pay him back \$700.00 per ounce. CS-3 stated that she gave all of the methamphetamine she obtained from FARRIS to Levi BENNETT. CS-3 stated that BENNETT sold the methamphetamine, but CS-3 kept a small amount for her personal use.

CS-3 stated that she had heard from BENNETT's friends that FARRIS had fronted him seven (7) pounds of methamphetamine and that is why BENNETT owed FARRIS \$28,000.00.

On June 15, 2017, Amy Mann was interviewed by law enforcement after having been advised of her Miranda Rights. Mann stated that she had known Levi BENNETT for about a month. She advised that BENNETT had never sold her methamphetamine, but they had used methamphetamine together. She advised that "Dee Dee" (Crystal Pharis) was BENNETT's girlfriend and she helped BENNETT obtain crystal methamphetamine.

On June 29, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 591-7287 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless,

agents received text messages stored in those accounts from June 20 to June 29, 2017. The following is an excerpt from the search warrant results:

June 26, 2017

(706) 748-8943 (Saleemah ROBERSON) to (276) 591-7287 (Shawn FARRIS), *"Hey this is Saleemah look Levi went to jail and I had gave him the majority of it and nobody was trying to pay u brought what I had to Ga and Rico robbed me"*

FARRIS to ROBERSON, *"Why couldn't you of told me this sooner and why has JR been lying saying he didn't no what happens Levi only got busted with a half do you no where the rest is at"*

ROBERSON to FARRIS, *"No Dee was suppose to round it up but then she went to jail and JR really hadn't spoken to me even now I left my phone at truck stop in Alabama"*

FARRIS to ROBERSON, *"Do you no were JR mite have it"*

ROBERSON to FARRIS, *"Haven't been in touch with anyone I was terrified 49000 it's what Levi had to give me I just got all my google contacts I'm going to send us number to someone who said they know everyone who had money for Levi"*

FARRIS to ROBERSON, *"No I didn't think he had it because he would have paid you"*

FARRIS to ROBERSON, *"Because JR acted like it was no big deal and never looked for it so I accused him of stilling it from me"*

FARRIS to ROBERSON, *"I thank he has it"*

FARRIS to ROBERSON, *"But he says he didn't"*

ROBERSON to FARRIS, *"I have to get back into my Facebook to get the number Rico stole my other phone and had been contacting people acting like its me so my mother shut my Facebook down"*

Later in the same conversation:

FARRIS to ROBERSON, *"It's alright I just don't know why JR acts like it's nothing"*

FARRIS to ROBERSON, *"He hasn't even faced me sence then"*

ROBERSON to FARRIS, *"I don't either I damn sure didn't I was terrified and hrs knew Dee was suppose to round it up he could have helped"*

ROBERSON to FARRIS, *"I was scared to attempt communication with my family JR could've helped"*

FARRIS to ROBERSON, *"Dee Dee couldn't find anything because I was at her house the next morning after Levi got arrested and she was looking all over for it she didn't no it was mine she was trying to help me get a car back"*

ROBERSON to FARRIS, *"That's because he had gave it all out the person that hit me on Facebook said he knows everyone that owes Levi money"*

ROBERSON to FARRIS, *"I'm going to send u a pick of the message shoo you can see who it is"*

FARRIS to ROBERSON, *"Ok"*

FARRIS to ROBERSON, *"Do you no Levi first and last name"*

ROBERSON to FARRIS, *"I know the last name is Bennett"*

Based on my training and experience and knowledge of this investigation, I believe that Saleemah ROBERSON utilized the text messaging service of her cellular telephone to contact Shawn FARRIS via the text messaging service of his cellular telephone. I believe the conversation centered on ROBERSON "fronting" Levi BENNETT methamphetamine that ROBERSON had obtained from FARRIS. I believe that BENNETT did not hold up his end if the deal and went to jail. I believe that ROBERSON was scared of FARRIS and the repercussions of losing the methamphetamine so ROBERSON left the area. I believe that the total loss of methamphetamine/money for FARRIS was \$49,000.00.

On July 26, 2017, John Ratcliff was interviewed pursuant to his arrest for possession of 1.3 kilograms of crystal methamphetamine and a gun. Ratcliff stated that when Levi BENNETT was arrested, the methamphetamine that he had in his possession came from Shawn FARRIS.

On October 30, 2017, CS-3 was again interviewed by law enforcement. CS-3 stated that Shawn FARRIS was the person who was currently bringing all the methamphetamine to the area. CS-3 advised that Larry Addair used to work for FARRIS before his murder. CS-3 stated that she had known FARRIS for approximately one (1) year. CS-3 stated that she obtained methamphetamine from FARRIS, about one (1) ounce per week for the last six (6) months, approximately twenty four (24) ounces total. CS-3 advised that she really didn't sell the methamphetamine, that Levi BENNETT did most of the selling.

CS-3 advised that a few days after Levi BENNETT last went to jail in Virginia, FARRIS came to her residence claiming that BENNETT owed him \$40,000.00 for seven (7) pounds of methamphetamine. CS-3 advised that she did not know anything about that, she had never seen

BENNETT with seven (7) pounds of methamphetamine, the most she had ever seen BENNETT with was two (2) pounds. CS-3 advised that the seven (7) pounds of methamphetamine was supposedly "fronted" to ROBERSON who fronted the methamphetamine to BENNETT for resale.

On January 19, 2018, Christopher SMILEY was interviewed by law enforcement. SMILEY stated that he had obtained methamphetamine from "Levi". Based on your affiant's knowledge of this investigation, your affiant believes that "Levi" is Levi BENNETT.

On January 24, 2018, CS-14 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in the Eastern District of Tennessee. CS-14 stated that Levi BENNETT and "Dee Dee" (known to agents as Crystal Pharis) stayed at his residence. CS-14 stated that he had purchased methamphetamine from BENNETT and Pharis. CS-14 believed that BENNETT and Pharis were getting methamphetamine from "J.R." (known to agents as John Ratcliff).

According to the records of NCIC, Larry Levi BENNETT was convicted of Manufacturing Methamphetamine in 2013. In 2016, BENNETT was convicted of Violation of Probation. In 2017, BENNETT was charged with Possession of a Schedule I or II Controlled Substance.

Terry Melvin DALTON

On March 23, 2017, a controlled purchase of one (1) ounce of methamphetamine and heroin was made from Terry DALTON in Abingdon, VA for \$1,150.00.

On March 28, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (423) 723-4169 (Terry DALTON). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from March 12 to March 28, 2017. The following is an excerpt from the search warrant results:

March 12, 2017

(276) 591-0170 to (423) 723-4169 (Terry DALTON), *"Give me a call please it's important I have some money for you"*

(276) 591-0170 to DALTON, *"Need some stuff if you can even do that for me if not that I don't have any money for you...lol"*

(276) 591-0170 to DALTON, *"Plz lmk what's up need to know when you plan on doing anything or if you're even going to be... I need a half game. Just lmk what's up"*

Based on my training and experience, and my knowledge of this investigation, I believe that the user of telephone number (276) 591-0170 advised Terry DALTON on his cellular telephone that he or she had drug proceeds to pay to DALTON and wanted an additional 1/16 ounce of methamphetamine. I know that drug distributors use the terms "8 ball", "ballgame" or "game" to refer to 1/8 ounce of a substance, usually methamphetamine or cocaine. Therefore, "half a game" would be a reference to 1/16 ounce.

March 13, 2017

(423) 797-0657 to (423) 723-4169 (Terry DALTON), *"I need 2 wholes"*

DALTON to (423) 797-0657, *"Idk if they got it GA. Just left making a trip"*

DALTON to (276) 447-0492, *"I'm here"*

(423) 797-0657 to DALTON, *"I have a ride I can use I'm supposed to collect money mostly yours I also have people wanting if you have anything I could use the help make us both a little"*

Based on my training and experience, and my knowledge of this investigation, I believe that the user of telephone number (423) 797-0657 ordered two (2) ounces of methamphetamine ("2 wholes") from Terry DALTON on his cellular telephone. I believe that DALTON advised the user of telephone number (423) 797-0657 that he did not know if his supplier had the amount of methamphetamine requested and that his supplier had just left making a trip to pick up more methamphetamine. I believe that DALTON agreed to sell 1/16 ounce of methamphetamine ("*half a game*") to the user of telephone number (276) 447-0492. I believe that the user of (423) 797-0657 advised DALTON that he or she needed to collect drug proceeds that belonged to DALTON, and inquired if DALTON had additional methamphetamine so he/she could sell the methamphetamine to make money.

March 27, 2017

(423) 408-8785 to (423) 723-4169 (Terry DALTON), *"I need a half g"*

(423) 408-8785 to DALTON, *"You good"*

(423) 408-8785 to DALTON, *"I know somebody looking for Tek to"*

DALTON to (423) 408-8785, *"I am but it's my wife's b day so I'm not doing anything until later"*

(423) 963-4716 to DALTON, *"Ok baby I figured you were home with the wife"*

DALTON to (423) 963-4716, *"No I had 2 pick up"*

(423) 963-4716 to DALTON, *"Ok baby well I'm about to need more"*

Based on my training and experience, and my knowledge of this investigation, I believe that the user of telephone number (423) 408-8785 contacted Terry DALTON and inquired about obtaining ½ gram of methamphetamine and a Subutex (*"Tek"*) from DALTON. I believe that DALTON told the user of telephone number (423) 408-8785 that he could make the sale, but it would be later. I believe the user of telephone number (423) 963-4716 advised DALTON that he/she was about out of methamphetamine and needed more.

On April 26, 2017, Terry DALTON sold approximately three (3) ounces of crystal methamphetamine for \$2,250.00 to three (3) undercover (UC) police officers at 21071 Blacksmith Trail Bristol, Virginia (residence of Skyler SEBASTIAN). The following text messages were exchanged between DALTON and the UC Agents leading up to the transaction:

April 24, 2017

UCA to DALTON, *"Hey are you wantin to get together on the 3 or what?"*

DALTON to UCA *"I'm on the way to get it now can u meet me"*

Based on my training and experience, and my knowledge of this investigation, I believe that Terry DALTON and the UC Agent discussed the purchase of five (5) ounces of methamphetamine for \$3,750.00. I believe that DALTON agreed to sell three (3) ounces of methamphetamine to the UC.

On June 1, 2017, CS-3 was interviewed in Bristol, VA. CS-3 stated that she purchased methamphetamine from Shawn FARRIS, Sean MAIDLOW aka *"Calr"*, Terry DALTON, Heather Ashley DAVIS, Gary MCFARLANE, Skyler SEBASTIAN and others.

On January 19, 2018, Christopher SMILEY was interviewed in Bristol, VA. SMILEY stated that he was a user of various drugs since 2000. SMILEY stated that he left this area to get away from drugs, but returned in February 2017. SMILEY stated that he hung out at the residence of Sarah Donahue where he used methamphetamine and met many drug suppliers including Terry DALTON, Skyler (SEBASTIAN) and others.

On January 24, 2018, CS-14 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Greeneville, TN. CS-14 stated that he had obtained methamphetamine from Terry DALTON.

On April 7, 2018, CS-28 was interviewed following her arrest in Saltville, VA in possession of ½ ounce of methamphetamine. CS-28 stated that she observed at least three (3) ounces of methamphetamine in DALTON's possession at the time.

According to the records of NCIC, Terry Melvin DALTON was arrested in 2009 for Possession of a Schedule III Narcotic. In 2017, DALTON was charged with Possession of Methamphetamine for Resale and Possession of a Firearm by a Convicted Felon. In 2018, DALTON was charged with Possession/Deliver/Sell/Manufacture of Methamphetamine,

Whitt advised that he grew up with DAVIS on Meadowview Road in Bristol, TN. Whitt advised that he could make purchases of methamphetamine from DAVIS. Whitt believed that source of supply to DAVIS sold "fed dope" and was protected by the "feds".

Runyon stated that he was a narcotics and gun runner for the Vice Lord street gang in Atlanta, Georgia and was a user of heroin. On March 24, 2017, officers from the Bristol, TN Police Department responded to the area of Blue Ridge Drive in reference to a domestic disturbance involving a black sedan that was leaving the area. Upon their arrival to the area, officers located a black Audi car and conducted a traffic stop on the car for making an improper turn.

Heather Ashley DAVIS was found to be the driver of the vehicle and Brandon Eskridge was a passenger in the vehicle. DAVIS advised the officer's that she did not have a driver's

license and a check through the Tennessee DMV revealed that DAVIS' license was revoked. While speaking to DAVIS and Eskridge officers observed a set of digital scales in plain view sitting in the console area under the radio. Another officer observed a syringe cap sitting next to the scales. At that time DAVIS and Eskridge were detained and a search of the vehicle was conducted. Officers were able to locate a makeup bag in the driver's side floor board. Inside the makeup bag a larger plastic bag containing another bag with a large amount of crystal like substance consistent with methamphetamine, multiple pills consistent with Oxycodone, Clonazepam, Buprenorphine and other drugs. The methamphetamine had an approximate weight of thirty three (33) grams. Also, a small amount of green plant material consistent with marijuana was found. Additionally, found inside the makeup bag was \$716.00 and several syringes.

DAVIS was advised of her Miranda Rights and she advised that she did not know to whom the drugs belonged. DAVIS advised that she was unsure how much money she had, but thought it was between \$500.00 and \$600.00. The amount was actually \$716 and was in increments of 20's, 10's, 5's and 1's. DAVIS advised that she had gotten the money by doing people's tax returns and being paid under the table.

Based on the circumstances, DAVIS was arrested by the BTPD on the same date.

Following her arrest, a search warrant was obtained for the contents of DAVIS' phone (760-320-0035). The following is an excerpt of text messages from the phone:

March 22, 2017

(423) 797-0657 to DAVIS, "*You are fucked up dude*"

(423) 797-0657 to DAVIS, "*I have shit already*"

Based on my training and experience, and knowledge of this investigation, I believe that Heather Ashley DAVIS contacted the user of telephone number (423) 797-0657 via the text messaging service of their cellular telephones. I believe that DAVIS advised the user of telephone number (423) 797-0657 that she could not obtain methamphetamine from "Georgia" because she owed her money, ("*G want hand us shit because we owe her money*"). DAVIS to (423) 765-3797, *"I'm 4000 in the red"*

Based on my training and experience, and knowledge of this investigation, I believe the user of telephone number (423) 765-3797 contacted Heather Ashley DAVIS via the text messaging service of their cellular telephones. I believe that the user of telephone number (423) 765-3797 told DAVIS that she had a lot of people who were looking for methamphetamine and

she could not find any. I believe that DAVIS advised the user of telephone number (423) 765-3797 that she had methamphetamine, but she would have to have the money at the time of the sale. I believe that DAVIS told the user of telephone number (423) 765-3797 that she owed her source of supply for methamphetamine \$4,000.00 (*"I'm 4000 in the red"*).

On April 12, 2017, CS-33 was interviewed by law enforcement. CS-33 stated that he had seen Ashley DAVIS with pickup loads of methamphetamine in totes that had to be lifted with a pallet jack. CS-33 stated that he had seen this at a garage near Wallace School.

Brianna Nicole WOODBY, aka Brianna NICKLES

On January 22, 2017, officers with the Bristol, Tennessee Police Department (BTPD) encountered Brianna Nicole WOODBY. Officers had observed the vehicle, a black Nissan Pathfinder, parked at the Speedway Inn, a known location where illegal narcotics are bought and sold in the Bristol, TN area. Upon approaching the vehicle, Brianna WOODBY was found in the driver's seat of the vehicle.

While conducting police checks regarding WOODBY, a K-9 from the BTPD conducted a free air sniff around WOODBY's vehicle. The K-9 alerted to the presence of narcotics around the front driver's side door. WOODBY was then asked if she knew why the K-9 would alert to the presence of narcotics. During this time the officer observed what appeared to be a small Ziploc style bag between the front passenger seat and the center console of the vehicle. The officer asked WOODBY what the bag was and she appeared to look around the area and eventually pulled the bag from the area of the console. The officer noted that the bag appeared

to contain other smaller bags that contained a crystalline like substance. Upon closer inspection the larger bag contained six (6) smaller bags, which all contained a crystalline substance.

The officer had WOODYBY step from her vehicle and asked her if she had anything on her person. WOODYBY retrieved from her bra area, a large sum of United States currency. WOODYBY initially stated it was \$700.00, but later stated it was \$750.00. The money was folded into \$100.00 increments.

A search warrant was applied for and obtained for the contents of WOODYBY'S cellular telephone (405-472-0057). The following is an excerpt from the search warrant results:

January 22, 2017

(423) 534-5891 ("Too Short") to WOODYBY, *"You can go serve everyone else but me"*
Fuck dat looks lk ya got home team covered. Ill find it elsewhr"

Based on my training and experience, and my knowledge of this investigation, I believe that the user of telephone number (423) 534-5891 was upset with WOODYBY because she would not sell them methamphetamine ("*serve*").

January 22, 2017

WOODYBY to (276) 202-4834 (D Honaker), *"What's up"*

Honaker to WOODYBY, *"Waiting on cash! Lol can u get any bud"*

WOODYBY to Honaker, *"Yes"*

Honaker to WOODYBY, *"What's the tag"*

WOODBY to Honaker, "250"

Honaker to WOODBY, *Can you do half for 125*"

WOODBY to Honaker, "Yes"

Based on my training and experience, and my knowledge of this investigation, I believe that the user of telephone number (276) 202-4834 (D Honaker) asked Brianna WOODBY to provide him/her with ½ ounce of marijuana for \$125.00.

On March 23, 2017, CS-27 was interviewed by law enforcement. CS-27 advised that at one point he was selling up to sixteen (16) ounces of methamphetamine per day. CS-27 advised that the majority of his methamphetamine was going to Heath Perry, Erica LNU, Jacob Armstrong and Brianna NICKLES aka WOODBY. CS-27 advised that he and WOODBY were dating at the time.

On July 26, 2017, John Ratcliff was interviewed pursuant to his arrest for possession of 1.3 kilograms of crystal methamphetamine and a gun. Ratcliff stated that Brianna WOODBY sold methamphetamine for Shawn FARRIS who lived on Garden Lane in Bristol, VA. Ratcliff advised that WOODBY was afraid of FARRIS and could not get away from him. Ratcliff stated that WOODBY had been to California with FARRIS to obtain methamphetamine.

On August 16, 2017, James Nicholas "Nick" HOWINGTON was interviewed in Abingdon, VA. HOWINGTON stated that "Bri" (Brianna WOODBY) was a heavy set white female who was a distributor of methamphetamine for Shawn LNU (Shawn FARRIS). HOWINGTON stated that WOODBY was sleeping with an older white male who lived with FARRIS.

On September 25, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 791-6721 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from September 9 to September 13, 2017. The following is an excerpt from the search warrant results:

September 13, 2017

(423) 612-8257 (Brianna WOODBY) to (276) 791-6721 (Shawn FARRIS), *"If ya'll really thought I was telling don't you think ya'll would done be in prison!!! That's fucked up as loyal iv been to you guys. I have been to California with ya'll I know the roads and the house I've been too. If I was telling ya'll would been in jail. Don't ever say that about me I'm not that kind of person and its fucked up Sofia would ever say that to me"*

Based on my training and experience, and knowledge of this investigation, I believe that Brianna WOODBY contacted Shawn FARRIS via the text messaging service of their cellular telephones. I believe that WOODBY was mad because FARRIS and Sofia Perez had accused her of talking to the police about them and their illegal narcotics distribution. I believe that WOODBY told FARRIS that she had been to California with him and knew where the source of supply was and if she wanted them to go to jail, they would already be there.

On September 27, 2017, CS-31 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Greeneville, TN. CS-31 stated that Brianna WOODBY introduced him to "Shawn" who was from California. CS-31 stated that "Shawn" had bought a house located on the Virginia side of Bristol. CS-31 stated that "Shawn" left for days at a time

and drove to California to pick up methamphetamine. On one (1) occasion, CS-31 observed vacuum sealed bags at "Shawn's" residence that contained methamphetamine. Based on your affiant's knowledge and experience in this investigation, your affiant believes that when referring to "Shawn", CS-31 was referring to Shawn FARRIS.

On January 24, 2018, CS-14 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Greeneville, TN. CS-14 stated that he had obtained methamphetamine from "*Bri*" (known to agents as Brianna WOODBY).

On March 16, 2018, Darlene BARRETT was interviewed by law enforcement. BARRETT stated that Shawn FARRIS was her source of supply for methamphetamine. BARRETT stated that at one point in early 2017, FARRIS lived in Bristol, VA, but had moved back to California. BARRETT advised that she had been to FARRIS' house and had met "*Bri*" NICKLES (Brianna WOODBY) while she was there. BARRETT advised that after FARRIS left Bristol, NICKLES contacted her and told her that if she needed anything (methamphetamine) she could contact NICKLES.

According to the records of NCIC, Brianna Nicole WOODBY was charged with Manufacture of Methamphetamine and Maintaining a Dwelling Where Drugs are Sold in 2017.

Donald Shane HAWTHORNE

On June 1, 2017, CS-3 was interviewed by law enforcement. CS-3 provided information on numerous methamphetamine distributors in Southwest Virginia and Northeast Tennessee. CS-3 stated that the following drug dealers carried guns: Terry DALTON, (Timothy) Barry Hall, Ashley DAVIS, Gary MCFARLANE, Amy McFarlane (Mann), Shane HAWTHORNE, and others.

On June 14, 2017, Amy Mann was arrested in possession of methamphetamine and firearms. A search of her cellular telephone revealed the following text messages with telephone number (276) 494-1235, saved under "*Shane Halthorne*":

May 26, 2017

HAWTHORNE to Mann, "*Ok thank you Amy really mean it you be careful and if u need me u call*"

Mann to HAWTHORNE, "*I might in little bit need to flip some but also got other shit going on I will catch up w u soon as u leave there and u welcome and thanks*"

Mann to HAWTHORNE, "*Did we make any off that last night??*"

HAWTHORNE to Mann, "*Yea I still got over half of it and that stuff he wanted*"

Mann to HAWTHORNE, "*Ok I coming to get ya wait there*"

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann advised Shane HAWTHORNE that she may need him to sell methamphetamine for her ("flip some"). I believe that HAWTHORNE advised Mann that he still had over half of the methamphetamine from the night before.

May 28, 2017

HAWTHORNE to Mann, "*I need a damn car I'm so pissed Levi promised me he would have me a car there and he lied and I'm stuck without a ride and being fucked on making my money*"

Mann to HAWTHORNE, *"...but I can let u use mine for a bit cause I think I found someone to run my stuff so I can make money"*

HAWTHORNE to Mann, *"I got 3 os gone no car to go do it"*

Mann to HAWTHORNE, *"Btw why didn't Deedee and Levi pay the money for Terry?? Or why didn't u bring them there space??"*

Based on my training and experience, and my knowledge of this investigation, I believe that Shane HAWTHORNE advised Amy Mann that without the car promised him by Levi BENNETT, he couldn't sell methamphetamine. I believe that HAWTHORNE told Mann that he could sell three (3) ounces of methamphetamine if he had a ride. I believe that Mann told HAWTHORNE that she used \$900.00 of money owed to Skyler SEBASTIAN from the sale of ½ pound of methamphetamine to pay a bond for Terry DALTON, but Crystal CS-3 ("Dee Dee") and BENNETT should have paid it. I believe that Mann asked HAWTHORNE why he didn't deliver "spackle" ("spac", "spake" – a synthetic drug) to SEBASTIAN as payment for the bond money.

The deal took place with Moles weighing out ¼ ounce of methamphetamine and giving it to MCFARLANE. DRAKE to Sholtz, *"Everyone is getting laid off here I've got to go to work I can start asap if u know of any jobs I'm not lazy and a hardworker"*

Based on my training and experience, and my knowledge of this investigation, I believe that Kimberly DRAKE advised Joe Sholtz that she was ready to sell methamphetamine for him (*"I've got to go to work"*).

On January 26, 2017, CS-17 was interviewed in Johnson City, TN. CS-17 stated that Kim DRAKE was a methamphetamine distributor for Ace Rose. CS-17 stated that DRAKE also sold "gravel". CS-17 stated that DRAKE's daughter, Whitney Drake, used to purchase methamphetamine from CS-17 and Jerry Smith.

On February 6, 2017, Brandon Thorpe was interviewed in Anderson County, TN. Thorpe stated that *"Mama Kim"*, Whitney Drake's mother, was attempting to obtain crystal methamphetamine through him.

On February 10, 2017, Thorpe was interviewed again in Sullivan County, TN. Thorpe listed many distributors for the methamphetamine trafficking organization for whom he worked, including *"Momma Kim"*, who was the mother of Whitney Drake.

On March 23, 2017, CS-27 was interviewed in Abingdon, VA. CS-27 stated that he was with Larry Addair the night before his murder. CS-27 stated that he picked up Addair at the residence of "*Mama Kim*" on 23rd St. in Bristol, TN. CS-27 stated that Addair had a huge bag of "ice" (crystal methamphetamine), \$50,000.00 and nine (9) pistols.

On June 14, 2017, Amy Mann was arrested in possession of methamphetamine and firearms. Pursuant to her arrest, Mann stated that the most methamphetamine she ever had in her house was ½ pound. Mann stated that the ½ pound of methamphetamine was eight (8) ounces in block form, at her house last week.

A search of Mann's cellular telephone revealed the following text messages with telephone numbers (423) 217-2481 (saved under "*Moma Kim*") and (423) 366-6126 (saved under "*Moma Kim New*");

April 20, 2017

DRAKE to Mann, "*Omg I just hung up on Bill didn't mean to r u still talking to him*"

Mann to DRAKE, "*No Hun they are in lock down*"

DRAKE to Mann, "*U know anything good?*"

Mann to DRAKE, "*What ya need??*"

DRAKE to Mann, "*I need ice cream*"

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann and Kim DRAKE discussed talking to Bill Taylor in jail (Taylor was previously

indicted in the Eastern District of Tennessee in a related drug conspiracy). I believe that DRAKE then ordered crystal methamphetamine (*"ice cream"*) from Mann.

May 7, 2017

DRAKE to Mann, *"Ok can't text it's Kim call me real quick if u can please heard u may have something I need thanks baby"*

DRAKE to Mann, *"U make it back"*

Mann to DRAKE, *"Not yet working on it but know where mofo went"*

DRAKE to Mann, *"I got license do u need me to come and get u"*

Mann to DRAKE, *"Someone else I can't got kids tonight"*

DRAKE to Mann, *"I don't care to help anybody but the person who needs the tire owes me a lot"*

DRAKE to Mann, *"I'm gonna send this tire but I'd appreciate if you'd pass the message on to Craig, that is said he is welcome, and I'd appreciate if he keep he word and if ever call him (which I doubt I will) be a man and not some bull shitter"*

DRAKE to Mann, *"But Mohawk hasn't gotten he just"*

Mann to DRAKE, *"Mohawk never showed and I can pass message to him idk if we going that route tho! That odd he should have already been to your house by now"*

DRAKE to Mann, *"Tell Mohawk sorry I didn't mean to cause him to get the run around but it put me in a lil shock when I heard who it was for, just cuz how he has been acting since he owes me, but hell that ain't no reason sorry Amy didn't mean to slow ur moves either, I have no problem with you think ur a sweetheart love Mohawk to death and at one didn't have any doubt about handing Craig whatever, but anyway tire is here I've got peep here from Greenville that's been here for hours, gotta get something done just let me know k"*

Mann to DRAKE, *"I feel ya jus have personal helped everyone out today since they all out or would help ya!! Thanks I tell everyone the same about ya always did me right and offered help when didn't have to!! I feel ya about people owing money idk anyone out this group that don't owe me so I hear ya"*

DRAKE to Mann, *"I don't concerned myself any part of this or that group, and there is even one or two that I may owe, but if I minus what they owes me and forgot about we'd be even or they would still owe, a lot it's just chalk to the game, I just don't get when you helped and helped someone and you ask if they know anything (not asking for anything they owe you, just to get something they lie, cuz they afraid you will ask for what they*

owed you, but anyway I'm gonna tell them there isn't gonna be nothing cuz it's late and they've been here for a couple hours, hell was trying to help a buddy and make a dollar"

DRAKE to Mann, *"Mohawk just got tire baby"*

Based on my training and experience, and my knowledge of this investigation, I believe that Kim DRAKE ordered "spackle" (synthetic drug) from Amy Mann, who was making a large order to be picked up by Timothy Barry Hall (aka "Mohawk", previously indicted in the Eastern District of Tennessee in a related drug conspiracy). I believe that Mann asked DRAKE to supply "Mohawk" with methamphetamine ("tire"), which she did but not before advising Mann that "Mohawk" owed her money. I believe that DRAKE had drug customers from Greeneville, TN waiting at her residence for the "spackle".

May 13, 2017

DRAKE to Mann, *"Amy please push Terry out the door if he is still there"*

June 4, 2017

Based on my training and experience, and my knowledge of this investigation, I believe that Kim DRAKE ordered "spackle" (*"spak"*) from Amy Mann, and advised Mann that she already had some methamphetamine sold and needed some (*"what about the other got a couple gone"*).

June 7, 2017

DRAKE to Mann, *"Spackle make it there"*

Mann to DRAKE, *"Yea give me few"*

DRAKE to Mann, *"Depending on price I want 2 if u have em"*

Based on my training and experience, and my knowledge of this investigation, I believe that Amy Mann advised Kim DRAKE that she had methamphetamine (*"cream"*) and was still working on getting *"spackle"*. I believe that DRAKE advised Mann that she could get methamphetamine from someone else at \$700.00 per ounce. I believe that DRAKE was supplied an ounce of methamphetamine by Jason Clements (aka *"JDawg"*, aka *"Jay"*, previously indicted in the Eastern District of Tennessee in a related drug conspiracy), but wanted two (2) additional ounces from Mann. I believe that eventually, DRAKE was supplied *"spackle"* by Mann.

Mann to DRAKE, *"If u help get my money back I'll give u a nice chunk and help ya w spac this week"*

DRAKE to Mann, *"...I had some body wanting 2 and another quarter but I can't cover it, now"*

Based on my training and experience, and my knowledge of this investigation, I believe that Kim DRAKE advised Amy Mann that she had obtained methamphetamine (*"ice cream"*) and needed Terry DALTON to help her sell it. I believe that later, DRAKE advised Mann that \$4,000.00 in drug proceeds had been stolen from her. I believe that Mann told DRAKE that Brandon Thorpe (previously indicted in the Eastern District of Tennessee in a related drug conspiracy) owed her \$5,250.00 in drug proceeds. I believe that Mann told DRAKE that if she helped Mann get her money, Mann would give a chunk of methamphetamine and some *"spackle"* (*"spac"*) to DRAKE. I believe that DRAKE told Mann that she had a drug customer ordering 2¼ ounces of methamphetamine but she couldn't afford to get it since the money was taken.

On July 20, 2017, Amy Mann was interviewed as the result of a proffer agreement entered into with the U.S. Attorney's Office in the Western District of Virginia. Mann stated that the week before her arrest, Shawn FARRIS dropped off ½ pound of crystal methamphetamine at her residence. Mann stated that this methamphetamine was picked up by Brandon Thorpe, who still owed Mann \$5,000.00 for the methamphetamine. In a subsequent

interview, Mann stated that "*Mama Kim*" was a distributor of "spackle" who lived on 24th Street in Bristol, TN.

Your affiant believes that the text messages between Amy Mann and Kim DRAKE from June 6 to June 11, 2018, contained herein, referred to the methamphetamine supplied by Shawn FARRIS and distributed by Brandon Thorpe and Terry DALTON.

On March 6, 2018, Joshua CHAPMAN was interviewed in Sullivan County, TN. CHAPMAN stated that he had distributed "gravel" purchased from Jason in Carter County, TN. CHAPMAN stated that Jason worked with "*Mama Kim*" selling "gravel". CHAPMAN stated that "*Mama Kim*" lived on 24th St., in Bristol, TN with two (2) daughters.

According to the records of NCIC, Kimberly Ann DRAKE was convicted in the Western District of Virginia in 2006 for Conspiracy to Distribute Crack Cocaine. In 2007, DRAKE was convicted for Manufacture/Sale/Possession of a Controlled Substance.

controlled purchase of two (2) "8 balls" (1/8 ounce) of methamphetamine from Susan PAYNE. The CS further advised that PAYNE's source of supply for the methamphetamine was Darlene BARRETT. The CS met with law enforcement and his/her person was searched and no illegal substances/narcotics were found. The CS agreed to have an undercover (UC) drive him/her to the purchase location. After several phone calls and discussion it was decided that the UC would drive the CS to Dairy Queen located on West Main Street in Abingdon, Virginia to meet PAYNE. The CS was provided with an audio recording device and \$500.00 United States currency for the transaction. Once there the CS got into PAYNE's vehicle and they drove to 240 Campbell Street Abingdon, VA (approximately one (1) mile from Dairy Queen). Upon arrival a vehicle appearing similar to a Chevrolet Equinox that the CS stated was BARRETT's pulled in behind PAYNE's vehicle. Two people exited the vehicle and went inside the residence. PAYNE collected the \$500.00 from the CS and went into the residence. A short time later, PAYNE exited the residence and got back into her vehicle and handed the CS a Ziploc style bag containing a crystal substance. PAYNE advised the CS that the bag contained seven (7) grams of methamphetamine. PAYNE then dropped the CS off to the UC at Dairy Queen. The methamphetamine was collected and preserved for evidence.

On January 19, 2018, CS-9 was interviewed by law enforcement regarding his knowledge of methamphetamine distribution in Southwest Virginia. CS-9 stated that Susan PAYNE aka WRIGHT had been his methamphetamine source of supply for two (2) to three (3) years. CS-9 advised that the most methamphetamine with which he had seen PAYNE was 1/2 to one (1) ounce at one time.

CS-9 advised law enforcement that PAYNE's source of supply for methamphetamine

was Darlene BARRETT. CS-9 knew that BARRETT was PAYNE's source because PAYNE had told him the same and CS-9 had been present with PAYNE when BARRETT had delivered methamphetamine to PAYNE's residence.

CS-9 also stated that he had purchased methamphetamine from BARRETT three (3) to four (4) times in "8 ball" (1/8 ounce) quantities.

CS-9 advised that PAYNE and BARRETT have advised him that BARRETT's source of supply for methamphetamine lived on Orebank Road in Kingsport, Tennessee. PAYNE advised CS-9 that BARRETT was also getting methamphetamine from "Mexicans". CS-9 advised that BARRETT was also getting methamphetamine mailed to her in Bristol, Virginia. CS-9 advised that PAYNE had the idea to steal one of the packages that BARRETT was to receive. PAYNE told CS-9 that the package was one (1) pound of crystal methamphetamine and the mail came at 2:00 p.m.

CS-6 advised that she had received methamphetamine from WILLIAMS, but did not have to pay for it, he always gave it to her.

On March 15, 2018, the United States Postal Service discovered a package that was mailed from California to Darlene BARRETT at 240 Campbell Street Abingdon, VA. The USPS intercepted the package and after a police K-9 alerted to the package having an illegal narcotic inside of it, a search warrant was obtained by the USPS. A crystal like substance was found inside the package that was field tested and was positive for methamphetamine.

The methamphetamine was replaced with a "fake" substance and repackaged in the original package. A federal search warrant was obtained for 240 Campbell Street Abingdon, VA (known residence of Melissa Darlene BARRETT). On March 16, 2018, the package of methamphetamine was delivered by the USPS and after the package was taken from the mailbox, the search warrant was served.

Several items were found during the search and they included the following items: the package of "fake" methamphetamine that was delivered by USPS, two (2) sets of digital scales, several empty zip style bags and other items.

March 16, 2018

(276) 791-6721 (Shawn FARRIS) to (276) 274-6648 (Darlene BARRETT), *"It's there"*

Based on my training and experience, and knowledge of this investigation, I believe that Shawn FARRIS advised Darlene BARRETT that the package of methamphetamine he sent her had arrived at her house. I believe that FARRIS had been tracking the package via the United States Postal Service tracking number.

BARRETT was interviewed by law enforcement on the same day. Before the interview started, BARRETT was advised of her Miranda rights and she acknowledged she understood them and agreed to speak with law enforcement. BARRETT stated that her source of supply for methamphetamine was Shawn FARRIS. BARRETT advised that she met FARRIS in January 2017 through a mutual friend, John Ratcliff. BARRETT purchased 1/8 ounce of methamphetamine for \$225.00 from FARRIS during the first meeting. For the next four (4) months BARRETT purchased 1/8 ounce of methamphetamine from FARRIS two (2) to three (3) time per week for \$200.00 each. After four (4) months, FARRIS "fronted" one (1) ounce of methamphetamine for \$700.00. BARRETT was then "fronted" one (1) ounce of methamphetamine per week for the next four (4) to five (5) months. After FARRIS moved back to California, he started mailing the methamphetamine to BARRETT. During the last three (3) to four (4) months, FARRIS had been fronting 1/4 pound quantities of methamphetamine to BARRETT for \$1750.00. The packages with 1/4 lb. quantities arrived every week or two. Once or twice the packages that FARRIS sent to BARRETT only contained one (1) ounce of methamphetamine. BARRETT advised there was a six (6) week period when she did not receive

any methamphetamine from FARRIS. BARRETT advised that she would owe FARRIS \$1,750.00 for every four (4) ounces of methamphetamine she received from him. FARRIS advised BARRETT to never sign for packages. BARRETT advised that she used the Postal Service to mail the money back to FARRIS. She placed the United States currency into a little yellow, plastic, bubble wrap lined envelope with the currency inside. She then placed the envelope inside of a USPS Priority Mail Box and mails the package to Shawn FARRIS at 253 Standing Bear Road, Cathedral City, CA.

According to the records of NCIC, Melissa Darlene BARRETT had no prior drug felonies.

HYDE to PAYNE, *"Hey I need that mony Sue today"*

Based on my training and experience, and my knowledge of this investigation, I believe that Brandin HYDE contacted Susan PAYNE in an effort to collect drug proceeds. I believe that PAYNE accused HYDE of working for the police (aka *"snitch"*), to which he took offense. I believe that HYDE accused PAYNE of using that as an excuse not to pay her drug debt to him. I believe that HYDE continued to make attempts at collecting his drug money.

CS-23 stated that PAYNE sold the methamphetamine given to her and paid CS-23 \$240.00. CS-23 stated that PAYNE used to sell methamphetamine for Jeremy Bartley.

On March 22, 2016, CS-24 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Abingdon, VA. CS-24 stated that he sold methamphetamine for Jeremy Bartley until Bartley started using Susan PAYNE as his main distributor. CS-24 stated that PAYNE sold most of Bartley's methamphetamine, and provided methamphetamine to CS-24 on a couple of occasions.

On March 31, 2016, CS-25 was interviewed pursuant to a proffer agreement entered into with the U.S. Attorney's Office in Abingdon, VA. CS-25 stated that when he and Jeremy Bartley brought methamphetamine back from Georgia, they took the methamphetamine to the

residence of Susan PAYNE to "break it up" (split it up for distribution). CS-25 stated that he sold methamphetamine to PAYNE, Crystal Pharis and others for distribution.

On January 5, 2018, a Confidential Source working with the Russell County, Virginia Sheriff's Office (RCSO) and the Washington County, Virginia Sheriff's Office (WCSO) agreed to purchase methamphetamine from Susan PAYNE. Detective Mike Horner (RCSO) acted as the undercover (UC) officer during the deal by driving the CS. After several phone calls from the CS to PAYNE it was agreed that the CS would purchase two (2) "8 balls" (1/8 ounce each) of methamphetamine. Eventually, the CS and UC met PAYNE at the Exit 14 Dairy Queen. The CS got into PAYNE's vehicle and they drive to Campbell Street Abingdon, Virginia (known residence of Darlene BARRETT). The CS gave PAYNE \$500.00 of documented money that had been provided to her by law enforcement. PAYNE went into the residence and left the CS in the vehicle. A short time later PAYNE exited the residence (later determined to be 240 Campbell Street) and got back into the vehicle and gave the CS a one (1) Ziploc style bag that was supposed to have seven (7) grams of methamphetamine. PAYNE then drove the CS back to Dairy Queen and the CS got back into the vehicle with the UC and they drove to a staging location. The methamphetamine was turned over to TFO Kevin Widener for safekeeping.

On January 19, 2018, CS-9 was interviewed by law enforcement regarding his knowledge of methamphetamine distribution in Southwest Virginia. CS-9 stated that Susan PAYNE aka WRIGHT has been his methamphetamine source of supply for two to three (2-3) years. CS-9 advised that he obtain an "8 ball" (1/8 ounce) of methamphetamine from PAYNE every other week and paid \$200 - \$300 per "8 ball". On March 16, 2018, Darlene BARRETT was interviewed in Abingdon, VA. BARRETT stated that she received methamphetamine through the mail from Shawn FARRIS who lived in California. BARRETT stated that Susan PAYNE, aka WRIGHT, was a sub-distributor of methamphetamine for her. BARRETT stated that she had given PAYNE one (1) to two (2) ounce quantities of methamphetamine in the past.

On September 13, 2017, a search warrant was applied for and obtained in the Western District of Virginia for text message content stored in the accounts of telephone number (276) 791-6721 (Shawn FARRIS). In response to the execution of this search warrant on Verizon Wireless, agents received text messages stored in those accounts from August 30 to September 13, 2017. The following is an excerpt from the search warrant results:

September 11, 2017

(276) 206-0368 (Bradley WILLIAMS) to (276) 791-6721 (Shawn FARRIS), *"Hey bro, everything ok?"*

FARRIS to WILLIAMS, *"Address please"*

WILLIAMS to FARRIS, *"209 B Street Abingdon, VA 24210"*

WILLIAMS to FARRIS, *"You have my address right"*

FARRIS to WILLIAMS, *"That's what I was looking for I just need house number and zip"*

September 12, 2017

FARRIS to WILLIAMS, *"I sent some boxes for you to send money"*

WILLIAMS to FARRIS, *"ok"*

Based on my training and experience, and my knowledge of this investigation, I believe that Brad WILLIAMS provided an address to Shawn FARRIS to which FARRIS sent a package of methamphetamine. I also believe that FARRIS advised WILLIAMS that he included shipping boxes in the package of methamphetamine for WILLIAMS to send money to FARRIS once the methamphetamine was sold. The address used to send the package to WILLIAMS was 209 B

Street Abingdon, VA. Your affiant knows that this is the known address of Charlotte Finch, obtained from the Abingdon Police Department database. Charlotte Finch is the on again off again girlfriend of WILLIAMS and she is the mother of WILLIAMS' children.

On September 19, 2017, Officer Yancy Wilmoth with the Abingdon, Virginia Police Department noticed Bradley Scott WILLIAMS at the Foam Wash located on Cook Street in Abingdon, Virginia. Officer Wilmoth knew that WILLIAMS had an outstanding arrest warrant for him from Washington County, Virginia. Wilmoth noted that a Mercedes SUV was pulled into a wash bay and WILLIAMS was washing the vehicle.

As Wilmoth was taking WILLIAMS into custody, WILLIAMS asked Wilmoth if he could give his money to his girlfriend who was inside the vehicle. Wilmoth allowed WILLIAMS to do so. As the front passenger door was opened, Wilmoth noticed a strong odor of marijuana coming from the vehicle. At this time WILLIAMS removed an item from his left front pants pocket and quickly put it in the female passengers lap. The item was a thick wad of cash held together by rubber bands. Wilmoth retrieved the cash and placed it on the top of the vehicle. As Wilmoth was taking WILLIAMS into custody a black male came to their location from another wash bay and asked WILLIAMS what was going on before returning to his vehicle and driving off in a gold Chevrolet Malibu. WILLIAMS was advised of his Miranda Rights and placed in the rear of Wilmoth's patrol vehicle. The female passenger of the Mercedes was identified as Nickey Sue Snead.

A blue Suzuki motorcycle was parked in front of the wash bay were the gold Chevrolet Malibu had been. The motorcycle had a helmet, mounted cell phone and the keys were in the ignition. Employees of the car wash advised that a male subject had been with the motorcycle and was interacting with the female in the Mercedes and the black male. Snead informed

officers that the Mercedes belonged to WILLIAMS and that WILLIAMS had driven the motorcycle to the car wash.

Snead's belongings were removed from the Mercedes and she permitted them to be searched. No illegal items were located within Snead's belongings.

During the search of the Mercedes, several illegal items were found. Found in the center console of the vehicle were the following items: Ziploc style bag containing a crystal substance (methamphetamine), plastic bag with green plant material (marijuana), various small Ziplock style bags, and an O'Reilly's receipt for the purchase of car cleaning items. A Wal-Mart receipt showing that the Mercedes had been serviced two (2) days prior was found in the glove box of the vehicle. Brad WILLIAMS name was on the receipt as being the person who had the vehicle serviced. A red and black backpack was found in the rear seat. Snead advised that the backpack belonged to WILLIAMS. Dried mushrooms were found inside the backpack.

On September 19, 2017, CS-6 was interviewed in Abingdon, VA. CS-6 stated that she met Brad WILLIAMS about one (1) month prior to this interview through Darlene BARRETT. One of WILLIAMS' customers was a black male nicknamed "*Cuz*" who drove a gold Buick or a red Mustang. CS-6 advised that "*Cuz*" met WILLIAMS wherever he happened to be at the time. CS-6 advised that she was unsure whether BARRETT was WILLIAMS' source or WILLIAMS was BARRETT's source, but advised that it appeared that BARRETT was the source of supply for methamphetamine.

According to the records of NCIC, Bradley Scott WILLIAMS has 16 prior felony convictions, including several drug trafficking felonies.

Cooperating Sources

Throughout this affidavit your affiant has identified several individuals by name and several as Cooperating Sources (CS) which were interviewed and/or assisted law enforcement during this investigation. Your affiant believes the information provided by them, and included in this affidavit, to be credible and reliable for the following reasons: the debriefings included statements against their own penal interest, the information provided by them matched information received from other sources, and much of this information was confirmed by other investigative methods. Some of these methods included surveillances and records acquired during the investigation, including records of phone calls and text messages between the co-conspirators.

CS' are utilized for several reasons: a CS might be a member of the target organization and therefore have easy access to information needed by law enforcement; a CS might have a relationship with members of the target organization, making it easy to purchase and/or locate illegal substances, profits, etc.; and in many situations a CS provides to law enforcement the opportunity to infiltrate an organization when all other means are exhausted.

CS-1, CS-2, CS-3, CS-4, CS-5, CS-7, CS-14, CS-16, CS-18, CS-21, CS-22, CS-23, CS-24, CS-25, CS-27, CS-29, CS-31, CS-35 and CS-37 were arrested for violations of the law, most of which were drug distribution charges. The CS' provided information on other crimes, including drug traffickers, in return for consideration for bond and/or reduced sentences.

CS-6, CS-8, CS-10, CS-11, CS-12, CS-13, CS-15, CS-17, CS-20, CS-26, CS-28, CS-30, CS-32, CS-33, CS-34, CS-36, CS-38, CS-39, CS-40, CS-41, CS-42, CS-43, CS-44, CS-45, CS-46, CS-47, CS-48 and CS-49 provided information to law enforcement in return for consideration for charges which had not yet been brought against them.

CS-9 and CS-19 cooperated with law enforcement in return for monetary compensation, making undercover purchases of narcotics in furtherance of successful prosecutions.

Telephone Toll Analysis

Based on my training and experience, I know the following: Distributors of narcotics, including but not limited to methamphetamine, oxycodone and other pharmaceutical drugs, communicate extensively by the use of cellular telephones. These cellular telephones are often in the names of other people or non-existent persons with fraudulent addresses to avoid law enforcement detection. Drug distributors often change cellular telephones and/or cellular telephone numbers to further avoid detection by law enforcement.

Throughout this investigation, agents utilized Administrative Subpoenas and Court Orders to gather subscriber information, toll records and text messages on cellular telephones utilized in the illegal activities of the Shawn FARRIS Drug Trafficking Organization. Although the subscriber information was inaccurate and incomplete in some cases, agents were able to identify the users through various means (debriefings, surveillances, search warrants, arrests, etc.). The collection of toll records also presented a challenge as many cellular telephone numbers were changed throughout the investigation. The information received from the telephone companies was accurate, however was not complete because of the time lost while tracking down new cellular telephone numbers. The information received allowed agents to further link specific events to the organization, and also allowed agents to discount certain events that were not relevant to the overall conspiracy.

REQUEST FOR SEALING

It is respectfully requested that this Court issue an order sealing, until further order of the Court, all papers submitted in support of this application, including the application and search warrant. I believe that sealing this document is necessary because the items and information to be seized are relevant to an ongoing investigation into the criminal organizations as not all of the targets of this investigation will be searched at this time. Based upon my training and experience, I have learned that, online criminals actively search for criminal affidavits and search warrants via the internet, and disseminate them to other online criminals as they deem appropriate, i.e., post them publicly online through the carding forums. Premature disclosure of the contents of this affidavit and related documents may have a significant and negative impact on the continuing investigation and may severely jeopardize its effectiveness.

I declare under the penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief. Executed on September 20th, 2018, at Abingdon, Virginia.
